**MEDICAL TOURISM  
DEVELOPMENT CENTER  
OF THE TYUMEN REGION**

## Traveling and being treated

Medical tourism – a trip to another city or country to get specialized, hi-tech medical care. This is a great opportunity to combine treatment, wellness and tourist programs.

The goal of MEDICAL CITY— to make treatment and staying in Tyumen as comfortable as possible and exceed your expectations.

We take over your problems concerning travel and treatment arrangement from your first call till homecoming!

## Treatment in the Tyumen Region is:

### THE LARGEST MEDICAL CLUSTER

Association of the leading regional clinics providing specialized, hi-tech medical care.

### HIGH QUALITY

High quality health care meeting international standards in all areas of medicine (including hi-tech medical aid).

### THE BEST DOCTORS

Qualified medical specialists with international experience and knowledge of traditional and innovative methods, treatment and diagnostics technology.

### AFFORDABLE PRICE

Competitive cost of medical services of all profiles.

### ACQUAINTANCE WITH REGIONAL CULTURE

You can get acquainted with national traditions and regional attractions.

### TRUST & CARE

Marketing departments staff of all medical organizations united to sort out your problems promptly.
